

# CHARLES ROBILLIART

GRAPHIC DESIGNER

Versatile and constantly evolving graphic designer, I bring my visual creation skills to impactful and inspiring projects. Proficient in Adobe Suite, Figma, and currently exploring the world of 3D with Blender, I see every tool as an opportunity to push my creative boundaries. Curious and passionate, I strive to transform ideas into unique compositions while continually exploring new creative horizons.

## EXPERIENCES

**2024 and today** • Lille

Self-Training and Job Search

Creation of my personal website. Redesign and update of my resume and portfolio. Creative and continuous improvement of my skills.

**2024/25** • Travel in Asia (Japan, South Korea)

Three months of cultural and creative immersion.

Quick adaptation to unfamiliar environments and autonomous management of unexpected situations in two culturally rich countries. Encounters, observations, and inspirations integrated into a creative and introspective approach.

**2023 Coud'Pouce** • Coudekerque-Branche

Designer web (internship)

Development of the association's website on Wordpress after having designed the project's mockup. I created illustrations as well as all visible layouts.

## EDUCATION

**2022/23 AFPA** • Dunkerque

UI Designer

Learning Adobe Suite software as well as basics in HTML, CSS, WordPress, and Figma.

**2017/20 AMOS Sport Business School** • Lille

Bachelor in Marketing and Event Management.

Completion of a thesis on the international development of CrossFit.

Living abroad in London for 5 months to complete the second semester of the 2nd year of Bachelor's degree.
